

## How Did VIVAHR Deliver Better Value to its Customers by Using RChilli?

“RChilli provides robust technical support and consistently delivers the expected results. Their **24\*7** customer service enables timely resolution of our queries, ensuring seamless operations.

**Ryan Naylor**  
CEO-VIVAHR

## About VIVAHR

VIVAHR is the only Recruitment Management System in the market that provides your HR team with the tools that make them recruitment marketing experts. Its software is built to help companies increase their candidate conversion rate by leveraging company culture profile pages.

It is a simple tool for growing a small business by helping attract more candidates to each job listing without having to sponsor every post. It builds the first Culture Marketing™ software to show job seekers there's more to a job than just roles and responsibilities in every job description template.

## Starting the Journey with RChilli

VIVAHR built its product from scratch. As they progressed in their business, they started receiving more customer demands that could only be fulfilled by using a resume parser. They started the hunt for the parser and came across RChilli, which stood out for several reasons.

A few of the best reasons for choosing RChilli were its commitment to support and assurance of technical resources available for assistance. This makes VIVAHR feel confident that RChilli has all the technical resources to support them.

## Enhancing their Functionality with RChilli

VIVAHR is using the RChilli [resume parser](#) on their candidate application page. They parse resumes through RChilli and get the structured data back to their database. With this ability of RChilli to parse and have the text available for contextual relevancy, VIVAHR can meet its customers' expectations.

Moreover, they use keyword matching & basic skill set analysis to improve the efficiency and response rate for their clients. By integrating RChilli into their processes, VIVAHR has experienced a **100%** improvement in their workflows.

## Interesting Facts About RChilli Resume Parser

Up to 90% Parsing Accuracy
